## 30' King Post Truss Bridge make 'n' take Clinic

### Kit and Weathering Mix cost:

N - \$39.00      HO - \$42.00

S - \$46.00      O - \$53.00

Preregistration required

A four hour clinic.

Class size: 12 minimum to 25 maximum

Join Maureen and Rick from **Hunterline**, as they take you through, step by step instructions, to build your own **Hunterline 30' King Post Truss Bridge** in your scale (N, HO, S, O, including all the *Narrow Gauge* scales).

**Skills to learn:** read templates and instructions, distressing basswood, staining and gluing techniques, assembly, drilling for rods, *NBW* installing, finish weathering techniques. This is a beginner to intermediate difficulty. Old pros can learn a few things too! Includes the kit and two bottles (8oz) of our *Weathering Mix* – a base colour and our *Creosote Black* as a highlight colour.

**Tool List** (We are aware that some tools are not allowed on flights, so we bring extra)

Work Surface - cutting mat - big enough for your scale

Leftover dish for stain

Wood glue – fast tacking carpenters glue such as Titebond II, Elmers or LePages

Masking tape

Waxed paper

Pin vise (drill bit is included in the kit)

Razor saw and/or Xacto knife

Tweezers – very sharp point is helpful

Wire snips

Small files, clamps, cheap brush

Disposable gloves

Patience
